GREATER MILWAUKEE FOUNDATION

GRANT GUIDELINES

The Greater Milwaukee Foundation's discretionary competitive grant programs are designed to have a lasting impact in helping create a thriving region for all residents in the greater Milwaukee area.

ABOUT THE GREATER MILWAUKEE FOUNDATION

For nearly 100 years, the Greater Milwaukee Foundation has helped individuals and families committed to philanthropy leave a legacy, and build a stronger and more vibrant community – now and for future generations. Thanks to the generous, ongoing investments our donors make, we as a community foundation are able to strongly influence and impact our region through our discretionary grantmaking.

ABOUT OUR GRANT PROGRAMS

The Foundation accepts grant applications from eligible 501(c)3 nonprofits and in limited situations, government agencies. Organizations must be in good standing with the IRS and should be located in or providing programs and services to residents of the Foundation's four-county service area:

- Milwaukee County
- Ozaukee County
- Washington County
- Waukesha Country

The Foundation offers grants to support programs and projects which meet grant criteria and funding priorities. We also offer capital grants, grants to support medical research and other special funding opportunities. Please refer to our website for information on these special funding opportunities and their deadlines.

Generally, the Foundation awards grants to an organization for up to one year, although they may be longer, given program priorities. An organization may only have one open grant per grant period.

The Foundation is committed to promoting racial equity and inclusion in its own practices as well as the grantees receiving support through its competitive discretionary grant programs. The Foundation requires nonprofits to demonstrate board diversity by maintaining a governing board that is comprised of at least 10 percent people of color.*

Statement 2

COMMUNITY LEADERSHIP

The Foundation was created by and for the people of the greater Milwaukee area as a place where people from all backgrounds and interests come together to take action in the region and beyond – today and for generations to come. Through the generosity of our donors who earmarked resources to our Board's discretion, we are focusing the majority of discretionary grantmaking resources on four major issues facing our community: education, neighborhoods, economic opportunity and racial equity and inclusion. Grant dollars alone are not enough. The Foundation also will play a role of convener and work to unite diverse stakeholders and partners around these issues. This includes commissioning research and analysis of issues and disseminating the findings of that work. Our work in these areas also requires us to collaborate with nonprofits, other funders and the government. Through this work the Foundation will seek to inform policy and leverage grantmaking and other resources to promote outcomes important to our community.

Executive Compensation Policy

Annually, the Human Resources Committee of the Greater Milwaukee Foundation requests from the Director of Human Resources comparable compensation data related to the President/CEO position at the Foundation. This data is generally sourced from salary data provided by the Council on Foundations and specific comparables of similar foundations and nonprofit organizations obtained from sources such as Management Research Associates, the Non Profit Center and Guidestar.

The President/CEO provides a written self-evaluation to the Committee in advance of a meeting held to discuss the performance review. The Human Resources Committee will summarize the information in the review as well as utilize the comparable salary data to make a recommendation to the GMF Board for any changes in the President/CEO compensation.

The Board Chair, or his/her designee, must document the basis for determination of the President/CEO salary. The documentation should include the deliberations and final decision made by the Board and what comparable data was used for the decision. The Board Chair, or his/her designee, is responsible for assuring that proper compensation approval documentation is completed and recorded in the personnel file of the President/CEO. The Director of Human Resources will assist in this process.

A similar process of reviewing comparable data will be used for other positions. However, the President/CEO, CFO and Director of Human Resources will be conferring on any compensation changes for most other positions at the Foundation.
