## ABOUT THE GREATER MILWAUKEE FOUNDATION

For nearly 100 years, the Greater Milwaukee Foundation has helped individuals and families committed to philanthropy leave a legacy, and build a stronger and more vibrant community – now and for future generations. Thanks to the generous, ongoing investments our donors make, we as a community foundation are able to strongly influence and impact our region through our discretionary grantmaking.

## ABOUT OUR GRANT PROGRAMS

The Foundation accepts grant applications from eligible 501(c)3 nonprofits and in limited situations, government agencies. Organizations must be in good standing with the IRS and should be located in or providing programs and services to residents of the Foundation's four-county service area:

- Milwaukee County
- Ozaukee County
- Washington County
- Waukesha County

The Foundation offers grants to support programs and projects which meet grant criteria and funding priorities. We also offer capital grants, grants to support medical research and other special funding opportunities. Please refer to our website for information on these special funding opportunities and their deadlines.

Generally, the Foundation awards grants to an organization for up to one year, although they may be longer, given program priorities. An organization may only have one open grant per grant period.

The Foundation is committed to promoting racial equity and inclusion in its own practices as well as the grantees receiving support through its competitive discretionary grant programs. The Foundation requires nonprofits to demonstrate board diversity by maintaining a governing board that is comprised of at least 10 percent people of color.\*

## Statement 2

The Foundation was created by and for the people of the greater Milwaukee area as a place where people from all backgrounds and interests come together to take action in the region and beyond – today and for generations to come. Through the generosity of our donors who earmarked resources to our Board's discretion, we are focusing the majority of discretionary grantmaking resources on four major issues facing our community: education, neighborhoods, economic opportunity and racial equity and inclusion. Grant dollars alone are not enough. The Foundation also will play a role of convener and work to unite diverse stakeholders and partners around these issues. This includes commissioning research and analysis of issues and disseminating the findings of that work. Our work in these areas also requires us to collaborate with nonprofits, other funders and the government. Through this work the Foundation will seek to inform policy and leverage grantmaking and other resources to promote outcomes important to our community.

**Executive Compensation Policy**

The Admin & Audit Committee will annually request comparable compensation data from the GMF Vice President, Human Resources and Organizational Learning (VP, HROL) for the President and Chief Executive Officer (CEO) position at the Foundation.

The comparable compensation data will generally come from salary survey data provided by the Council on Foundations and specific comparables obtained from other surveys such as MRA and the Non Profit Survey conducted by MRA, and GuideStar posted 990's. The VP, HROL will site comparables in a report and reference where data was obtained.

The Admin & Audit Committee will review the comparable data and make a recommendation to the Chairman of the Board and then to the full board for any changes in the CEO's compensation, without participation or discussion with the CEO. The CEO may answer questions of the board that may be used in later deliberations and decision-making.

The board must document the basis for determination of the CEO'S salary. The documentation must contain the date and terms of the compensation transaction, the members present for the decision, and what comparable data was used for the decision. The Admin & Audit Committee will be provided with a template to the document process and decision. The Admin & Audit Committee will drive the process for decision-making and assure the documentation is obtained and recorded in both the board minutes and the personnel file of the CEO.

A similar process will be used for other positions within the Foundation. However, it will be the CEO and the VP, HROL conferring on these other positions.
